

land (1930 Edition, title "Baltimore County", sub-title "Health and Sanitation", clarifying and amplifying the power and authority of the County Commissioners of Baltimore County to establish, construct and maintain water supply systems, sewers, sewage disposal plants, pumping stations and other facilities required for any of the purposes of the Metropolitan District Act.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That Section 329 of Article 3 of the Code of Public Local Laws of Maryland (1930 Edition), title "Baltimore County", sub-title "Health and Sanitation", be and the same is hereby repealed and re-enacted, with amendments, to read as follows:*

329. That whenever it shall be deemed necessary by the Commissioners to take or acquire any land, structures or buildings, source of water supply, any stream bed, water way, water rights, water shed, franchises, water, sewerage, or drainage systems, or other property, either in fee or as an easement, within or without the Metropolitan District, except within the territorial limits of Baltimore City, in the exercise of the power and authority hereby expressly conferred on said Commissioners to establish, construct, locate, maintain, operate, repair, replace, extend or enlarge any water supply, water, main, sewer and or drain of any and every kind, nature and description and appurtenances thereof, or any sewage disposal plant or field, reservoir, dam, water purification or filtration plant, tank or pumping station, and all other facilities, appurtenances and adjuncts that may be required for any of the purposes of this Act, the Commissioners may purchase the same from the owners, or, failing to agree with the owner or owners thereof, may condemn the same, except within the territorial limits of Baltimore City, by proceedings in the Circuit Court for the county in which said land, structures or buildings, source of water supply, stream bed, water way, water rights, water shed, franchises, water, sewerage, or drainage systems, or other property is situated, as now provided for condemnation of land by public service corporations in the Code of Public General Laws of Maryland, and the Commissioners may likewise condemn the interest of any tenant, lessee or other person having an interest in said land, structures, or buildings, source of water supply, stream bed, water way, water rights, water shed, franchises, water, sewerage, or drainage systems, or other property. At any time after ten days following the return and recordation of the verdict or award in said proceedings, the commissioners may enter and take possession of the property so condemned, upon first paying to the Clerk of the Court the amount of said award and all costs taxed to date, notwithstanding any appeal or further proceedings upon
